

What is a School-Parent Compact?

A school-parent compact is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all students reach grade-level standards.

Jointly Developed

The parents, students, and staff of PCMS partnered together to develop this school-parent compact for achievement. Teachers suggested home learning strategies, parents added input about the types of support they need, and students told us what would help them learn. Parents are encouraged to attend annual revision meetings held in the spring of each year to review the compact and make suggestions based on student needs and school improvement goals. Parents are also encouraged to participate in the annual Title I parent survey that is used as a tool to collect parent feedback regarding the current Title I programs and policies. If you would like to participate or volunteer, please contact the Parent Liaison, Delilah Carr, at (478)783-7380.
